Profile

A pastor with 30 years of experience in local church settings.

I desire above all else to equip people to grow in their faith and ministry; to equip people toward greater skill in studying the Word and encourage them to desire to do so for the purpose of knowing God with intimacy.

I desire to view and respect all people and see them as God sees them; regardless of age, station in life, position, etc. to challenge believers toward loving one another.

I desire to use my skills and knowledge of the Word and Ministry of Servanthood to develop other leaders.

Education

1986-1988 / Moody Bible Institute
Chicago, Illinois
Bachelor of Arts / Bible Theology

1984-85 / Kellogg Community College
Battle Creek, Michigan

1984 Graduate / High School
Battle Creek Central, Battle Creek,

Skills

Music / plays guitar and enjoys leading worship, and worshipping with other believers.

Logos Bible Software / has been using this software for 20+ years and is a "power user" who desires to see others learn and use it for themselves.

Writing / enjoys not only studying scripture but writing about it, both in informative articles, inspirational articles, and self study guides. Also enjoys creative writing and poetry.

Tech & Desktop Publishing / has some skill and training in designing and developing the style and design of documents.

Employment / Experience

2004 – April 2025
